SMS FLATSCREEN FH MT600

Down to earth!
SMS Flatscreen FH MT600 gives your large screens mobility and keeps them close to the ground for easier viewing. The FH MT600 gives you an easy way to increase the functionality of your room and screen. The SMS FH MT600 is well-built and reliable as well as an attractive addition to any room – especially popular in TV studios. Screens can be tilted upwards for the best viewing angle. Annoying cables and wires can be hidden inside the bracket. Moving something so heavy has never been so easy.

Special features
The design of the adapterplate makes it easier to mount.
The Func Flatscreen H Unislide is included in the package.
